## **KNIGHTS OF COLUMBUS INSURANCE**

### **PROTECT THE FAMILY**

**The objective of the offensive line is to protect the quarterback. To do this the line must be strong and reliable.**

**Your whole family can be protected. The one thing that will protect them best strong and reliable life insurance.**

**With life insurance your family will be protected from financial disaster in the event of your death. They can continue to live as you would want them to live. And they would have you to thank for it.**

**The second thing it does is it protects your loved ones if you were to die prematurely. It gives your family financial protection so that they may survive in your absence. It can be nearly impossible for a family to live without life insurance when the bread winner dies.**

**Be a real St, Nick and get life insurance today.**
