KNIGHTS OF COLUMBUS INSURANCE

Retirement income you can't outlive

People are living longer today than in any other time in history. While this is certainly a good problem to have, it creates a new worry for those facing retirement: what if I outlive my savings? How does a retirement income that you cannot outlive sound to you?

This sounds pretty good to most members and this can be true if you open a Knights of Columbus annuity, which is designed to provide guaranteed long-term security. As a knight, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into this annuity over time can guarantee you an income at retirement that you cannot outlive. Couple that guarantee with the fact that no one has ever lost money put in a Knights of Columbus annuity (remember, absolute safety of principal) and you will have peace of mind.

Don't forget contributing money an annuity will allow you to save some money on your income tax return. And our annuities offer a very competitive interest rate, consistent with our primary goal of absolute safety of principal. These benefits are similar to those of an IRA or similar product, but ours is backed by the strength and financial stability of the Knights of Columbus.

At your convenience, I will happily to meet with you to explain in detail the benefits of selecting our annuity, along with the benefits of our top-rated life insurance and long term care insurance plans.

As you consider options as you proceed toward retirement, think about one thing guaranteed to help you and open a Knights of Columbus annuity.

Call me for an appointment. John Ross @ 386-7279
