## **KNIGHTS OF COLUMBUS INSURANCE**

Today you are giving your children the best education you can buy. Today your wife is living comfortably and not worrying about making ends meet. Will that be the scenario when you are gone?

If you have insurance, the answer is yes.

With life insurance your family is taken care of as if you are still with them. The family won't have the financial burden that comes with the passing of the bread winner. Life insurance will be there to handle all the family financial needs. There is no undue stress on the family. Isn't that how you would want it?

The end result? Life goes on for your family almost as if you were still there. And that's a gift of love.

Call me for an appointment. James Roller: 590- 0309.
