KNIGHTS OF COLUMBUS INSURANCE

The fourth of July commemorates our country's independence. Let today commemorate your family's independence.

Free your family of worry and stress by getting life insurance. Life insurance for the time when you aren't going to be with them. No one lives forever, but your family's freedom can.

Life insurance allows your family the freedom of living. The protection allows them to live their lives.(instead of worrying about how they will live their lives.) they will survive because of you and the investment you made in life insurance.

Call me today and let your family gain independence. James Roller: 590- 0309.

Congratulations
