## **KNIGHTS OF COLUMBUS INSURANCE**

### **GOOD MONEY MANAGEMENT**

If the living room of your home is on the far corner of your lot, the dining room on an other corner, the kitchen in the street and the bedrooms scattered all over the neighborhood, your home wouldn't be livable, would it?

It's the same with your life insurance. Unless the individual policies you own are fitted together to form a balanced well-planned program, they cannot possibly do what they should for you.

Good money management calls for having the life insurance you own reviewed at regular intervals. In order to be financially sound, you should know exactly where you are going.

My review is not only to get you to buy more life insurance. Instead I work your ideas and ambitions into a plan, and then organize it with your buget in ay that will bring you closer to your goals.

Call me today to schedule your review @ 590-0309 or [jim.rolleri@kofc.org](mailto:jim.rolleri@kofc.org).
